Banking

FOR THE ARMY OF TODAY

NO-ONE HAS MORE NEED of a complete and efficient personal banking service than the Army Officer.

It has always been so ; and there is much to be said for keeping your account with an Army Banker who has had two hundred years' experience in dealing with the financial affairs of Serving Officers.

Furthermore there are obvious advantages in having your account with the Agent who issues your pay and allowances. The confidential relationship between banker and customer is not affected ; an Officer's transactions with Lloyds Bank are known only to himself and to the Bank.

Among the banking and other facilities which are of special interest to our customers in Her Majesty's Army are: Arrangements for the cashing of cheques at home and abroad • The transfer of funds by mail or cable • Periodical remittances in cash or by draft Preparation of personal income tax returns and repayment claims • Safe custody of documents and valuables • Financial arrangements for foreign travel • The appointment of the Bank as Executor or Trustee.

HER MAJESTY'S STATIONERY OFFICE
1956

NOTICES

Under the provisions of the Army Act, 1881, Section 163 (1) (d), this Army List is evidence of the status and rank of the officers mentioned in it.

The lists of officers of the Regular Army Reserve of Officers and Territorial Army Reserve of Officers and of military recipients of the Victoria Cross are published separately in an Annual Supplement to The Army List issued early in each year.

Acting rank is now shown in this publication *only* in the case of officers of the Army Emergency Reserve and of the reconstituted Territorial Army, including the Territorial Army, General List, Sections A. and B.

The figures in square brackets thus [1] after the titles of Infantry regiments denote the former regimental districts to which the regiments belonged.

The badges, etc., borne on Regimental Colours are shown after the titles of Regiments, the "centre" badge being printed in heavy type. In the case of Regiments and Corps which do not carry Standards, Guildons or Colours, the badges, etc., shown after their titles are borne on their Clothing or Appointments.

The words subscribed to the titles of regiments, as "Peninsula," "Waterloo," "Neuve Chapelle," etc. denote the Honours awarded to such regiments in commemoration of their services. Those printed in heavy type are borne on their Standards or Colours, or, in the case of regiments having no Standards or Colours, on their Appointments.

The colour of uniform, etc., indicated is that of No. 1 dress except where otherwise stated.

As announced in London Gazette (Supplement) dated 22/8/47, all *European* Queen's Commissioned officers on the Active List of the Indian Army are deemed to have been appointed as from 15th August, 1947, to a Special List (ex Indian Army) British Army.

In the sections relating to the Army Emergency Reserve, where the date 24/8/39, in addition to the seniority date(s), is still shown against an officer's name it denotes that the officer has yet to be "released" from embodied service.

All communications on officers' personal entries in this List (other than those on obvious misprints) should be addressed, *through official channels*, to The Under-Secretary of State (O.D.O.), The War Office, Stanmore, Middlesex.

Communications regarding other matter appearing in this List should be addressed to The Under-Secretary of State (C.S. A.L.), The War Office, Stanmore, Middlesex.

Officers who succeed to peerages, baronetcies or courtesy titles are responsible for immediately notifying the fact to The Under-Secretary of State, The War Office (O.D.O.), in order that the necessary alterations may be made in the Army Lists and in the official records of the War Office.
